Respected Modiji, Greetings

0110-84 0116309

As the son of Bharat Matha
You said "why we are imposing
wood - we have lot of bunds
surrounding our lands. Why not
we grow trees"

I am an agripreneur promoting
millets and dryland. In my 22 yrs
practical life never heard such a
meaningful - needy - development oriented,
desi farming idea - we pray God SHIVA
that you should again lead the nation
for the second time in the upcoming
Parliamentary elections.

I sent mail & hand copies of the letter
attached to all. Yet to receive a response.
Please help me. I need your blessings.

Yours truly

Respected Minister Greetings,

As one of the higher authorities in initiating women development I request you to suggest how our trust can further take this document for informing all related to the subject please do the needful.

Copy of the message sent

Our trust plans to conduct summer program for school children and women having core theme as " Dry Land Development " in various formats like brochures, posters, booklets, photos, and videos. This involves lakhs of school students organized from all the district of the state conceptually managed towards developing themes of Dry Land through organic farming alone.

In this regard we sent our communications to District Collectorate, Siruganur Krishi Vigyan Kendra, ICRISAT, The Ministry of Agriculture etc., We request you as the highest administrative authority of women empowerment in India you may be more interested in the event. We planned to conduct many sessions like seminars, workshops, common gatherings, field visits, rural camp fires, and product harvest day celebrations etc., please suggest us further proceeding to make this women empowerment event more successful.

With Kind Regards,

Managing Trustee.
